Also, please let me know what portion(s) are for water, and what are for sewer. Thanks!

FYI – I am speaking with Ms. Sesko's guardianship attorney about extending the lien; the property is up for sale, so hopefully we can recover at the time of sale.

Hi Ann,

I need to know as soon as possible the exact amount of our utility lien on the above property. Also, please let me know if we have liens on other Sesko properties (William and/or Natasha), and if so, what are their amounts.

Thank you,  
Amanda
